

Product Donations

Spirit of the Flame Challenge hosts 1700 gymnasts and 6,500 spectators from around the world — we would love to put your company name in front of them!

Your company will be advertised in multiple ways at the Spirit of the Flame Challenge including your ad being displayed on a monitor, in our program, and in announcements during the event.

We would be pleased to put your product in our raffle, athlete gift bags and Judges and Coaches Hospitality Suite.

As a contributor, you are able to receive a black and white ad in our Souvenir Program equivalent to the product donation.
