

# Product Donations

**Spirit of the Flame Challenge hosts 1700 gymnasts and 6,500 spectators from around the world — we would love to put your company name in front of them!**

Your company will be advertised in multiple ways at the Spirit of the Flame Challenge including your ad being displayed on a monitor, in our program, and in announcements during the event.

We would be pleased to put your product in our raffle, athlete gift bags and Judges and Coaches Hospitality Suite.

As a contributor, you are able to receive a black and white ad in our Souvenir Program equivalent to the product donation.
